

16<sup>th</sup> July 2021

Year 2, Year 3 and Year 4

Dear parent/carer,

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within the school.

**Your child has not been in close contact with one of the known positive cases and the case is not in your child's class. Because of this, your child does not need to isolate at this time.**

However, because of the number of staff needing to isolate due to close contact with the cases, we do not have the staff to keep our children safe and so your child's class must now move to online learning at home for the last four days of the school year. This will continue to be done through Microsoft Teams.

We can only apologise for any inconvenience caused, however in this instance we need to follow government guidance.

If you have any issues accessing the Microsoft Teams, please e-mail your child's class teacher for more information.

Yours sincerely,

Mrs Samantha Birchall  
Head Teacher
